OMV Security Statement

Data accessed through the Departmental automated systems must only be used to carry out the official duties of the employee. The employee must insure that all legal and ethical protection is accorded the data with which they are entrusted in the conduct of their duties. The employee must respect the privacy of the data.

It is the responsibility of the requesting agency and the authorized requesters to insure that personal information obtained from motor vehicle records is used or disclosed in accordance with the Federal Driver Privacy Protection Act as neither OMV nor its staff will approve any subsequent use or disclosure of personal information.

OMV reserves the right to review inquiries made by a requester, and to immediately terminate the requester's access to OMV data if it appears the requester has violated the Federal Driver Privacy Protection Act or the requirements of this document.

OMV also reserves the right to immediately terminate the requesting agency's access to Departmental data if it appears that the requesting agency has failed to properly monitor access to Departmental data.

I hereby certify that I have read and understand the OMV. I further understand that failure to comply with these statements may result in disciplinary action and/or civil or criminal prosecution in accordance with applicable statutes.
